

### **Typing Test**

Copy the following link and paste it to your browser address bar:

<http://www.typingtest.com>

Using the defaulted Test Settings, select “Start Typing Test”.

On the next screen you start typing at the bottom on the page where it says “The test begins when you click here and start typing.”

When the time has expired the results of your test will be displayed. Print a copy to bring to the interview, then copy and paste this information into an email to [careers@rmcn.com](mailto:careers@rmcn.com).

### **Ten-Key Test**

Copy the following link and paste it to your browser address bar:

<http://mrkent.com/tenkeytest/index.asp>.

Please read the instructions and select the following options:

Digits Only  
Number of Characters: 6  
One minute  
My Keys Pressed

Select “Continue”. When the time has expired the results of your test will be displayed. Print a copy to bring to the interview, then copy and paste this information into an email to [careers@rmcn.com](mailto:careers@rmcn.com).
